

TROUBLE /

I've wrestled a lot of athletes in London, Europe and even USA. Trouble is among the best sessions I've had. A beautiful lady, muscular but not too muscular with amazing strength and even more wrestling skills. She is fast as a lightning and her RNC is deadly. Additionally she takes care that the guest gets what he wants, always asks if everything is ok and so on. Highly recommend her for all guys who love to have a challenge combined with fun!

Can't wait to meet her again for my revenge as she kicked my ass this time with one of my highest losses ever
